W. H. REEVES, CITY MANAGER, SPEAKS ON GOVERNMENT

**Executive Tells About Many
Problems and How Affairs
of Municipality Move**

The first open forum meeting of the Tuesday Afternoon club for the discussion of civic, county and state problems was held yesterday afternoon at Masonic Temple, with City Manager William H. Reeves speaking on "Glendale, Its Future and Its Needs."

The meeting was called to order by the president, Mrs. C. E. Hutchinson. Mrs. W. L. Andrews, general curator, made the following announcements of section meetings: Shakespeare section Monday, November 7, at home of Mrs. Colin Cable, 505 South Columbus avenue, at 2 o'clock; drama section, Friday, November 4, at home of Mrs. J. Roger Bentley, 715 North Central avenue; parliamentary law section, Wednesday, November 2, at home of Miss Eva Daniels, 324 West Colorado street, at 2:30 o'clock; legislative section, first and third Tuesdays at Masonic Temple at 1:30 o'clock.

Urges Candidate's Support
Mrs. A. M. Williams, chairman of ways and means, and Mrs. A. H. Montgomery, campaign chairman for the election of Mrs. Warren Roberts as queen of the American Legion carnival, urged the support of all members of the club in buying and selling votes for the club candidate.

Miss Ida Myers, chairman of patriotism, outlined the plans of the local American Legion for an Armistice Day parade, in which all organizations of Glendale have been invited to participate. She urged the members of the Tuesday Afternoon club who have automobiles to enter them in the parade and look after the floral decorations of same, as the club will furnish flags for the machines entered.

Miss Elise Truran and Miss Mabel Ferrington both spoke very appealingly for the Near East Relief. Both young women have been engaged in relief work in Armenia, the former at Akalkalaki and the latter at Alexandropol.

Poverty and Distress
They told of some of the almost unbelievable conditions of poverty, distress and persecution of the people of that country which they themselves had witnessed and urged the members of the club to stand back of the American relief work, in the near east countries. Mrs. Hutchinson announced that Mrs. Lillian Dow represents the club in the near east relief and that she will receive contributions from club members for this purpose.

In accordance with the idea of "seeing America first," City Manager W. H. Reeves of Glendale was chosen as the first speaker at the open forum meetings for the discussion of civic, county and state problems, his topic being "Glendale, Its Future and Its Needs." As to its future, he stated that that was best judged by the past. He stated that there was nothing in the wonderful record which has been made by Glendale to indicate that this growth will cease.

Explains City Affairs
Mr. Reeves explained the workings of the city departments under the present charter and the city manager form of government.

Among the subjects taken up by him were those of street work, public service, salaries, city parks, garbage, sewer system, and other civic problems. He spoke of the great possibilities of the former Verdugo park as a city park for Glendale, urging action before the price becomes prohibitive.

In regard to the present fee for garbage collection, in the discussion which followed his talk, the point was brought out that if this fee were included in the tax rate that it would not include all the people served and that the present plan was the more equitable.

Realty Board Will Meet Thursday Night Intermediate School

The Glendale Realty Board will hold its annual meeting Thursday night at 7:30 o'clock in the Intermediate school auditorium, Wilson avenue and Kenwood street, according to notices being sent every real estate dealer in the community, as well as members of the local board who are affiliated with the state association.

Quick Action Obtained by Glendale's C. of C.

On October 17 the Glendale Chamber of Commerce called the county's attention to the fact that the west end of Fairview avenue in the Casa Verdugo district was in bad shape. The next day Supervisor Henry W. Wright had a crew busy and today the road is in good condition. That's quick action.

Business Center of City Is—Well, Maybe You Have Your View

Turn around and you'll find a new business center of Glendale—in someone's opinion. And each and every one is justified in their guess, too, for the constantly changing trend of building operations gives equal hope to all sections of the city, it would seem. The latest to essay where the business center will be is Mrs. J. B. Weber of 127 South Belmont street. She writes:

"The business center of the city? Now it is around the intersection of Brand boulevard and Broadway. Very soon it will work east on Broadway and Colorado boulevard. The business streets will be Brand, East Broadway, Colorado and Central. Tomorrow the business center may be at the intersection of Broadway and Belmont."

One can readily believe that Mrs. Weber hopes so, at least. "The Heart of Glendale" real estate firm of Carver & Billings at 719 South Brand boulevard puts forth another opinion on where the business center of the city is going to be. A. A. Carver, 610 South Verdugo road and B. M. Billings, 721 South Brand boulevard, recently opened the office and Mr. Carver gave the following reasons for the name of the realty firm:

"We named the firm 'The Heart of Glendale' because we both believe this will eventually be the heart of the city, and it may not be so long in arriving at it, either. With Brand boulevard as the axis, we believe that the heart of the city will be right along this block somewhere."

Mrs. Walter F. Richardson of 611 East Broadway thinks that her home is in the center of town. When the streets formerly numbered from Adams street and Broadway, the center of town used to be 611 West Brand boulevard.

Miss Dorothy Huskins Honor Guest at Party

Miss Hettie Orth and Miss Irene Whittaker were hostesses last night at a very pretentious and elaborate shower given at the home of the former, 153 South Central avenue, in honor of Miss Dorothy Huskins, daughter of Mr. and Mrs. A. W. Huskins of 417 Ivy street, who is soon to become the bride of James Richardson.

Bouquets of yellow baby chrysanthemums were used effectively throughout the house. The dining table was centered with a bouquet of marigolds. Place cards and napkins tied with tiny black tulle bows, and refreshments further carried out the color scheme of yellow.

One of the contest-games of the evening, which created a great deal of merriment, was that of constructing a fashionable chapeau out of tissue paper and streamers. Other games and music provided diversion for the remainder of the evening. An array of beautiful and useful gifts were presented to the bride-to-be in a large round hat box, which had been covered with ruffles and bows of yellow crepe paper.

The guests present at this delightful affair included Miss Dorothy Huskins, Mrs. A. W. Huskins, Miss Bernice Huskins, Mrs. John Johnson, formerly June Huskins, Mrs. J. B. Whittaker, Miss Marcella Orth, Miss Linda Goertz, Miss Virginia Eastman, Miss Mildred Cole, Miss Ruth Cole, Miss Hope Ireland, Miss Zoe Thompson, Miss Alice Petty, Miss Irene Whittaker and Miss Hettie Orth.

Hattie Ramsdale Bride of Harrison G. Peters

Harrison G. Peters, who has been making his home with his sister, Mrs. R. F. Kitterman of 311 North Kenwood street, and Miss Hattie Ramsdale of Los Angeles, were united in marriage yesterday afternoon at the home of Reverend C. M. Crist, 315 North Jackson street, the ring ceremony being used. The bride wore her traveling suit of navy blue, with hat to match, and carried a bouquet of Cecil Brunner roses and violets. Only immediate relatives of both parties were in attendance.

Following a wedding ceremony a reception was held at the home of Mrs. Kitterman, which had been decorated with bouquets of carnations. Refreshments of a large wedding cake, ice cream and punch were served.

Mr. Peters has been employed as bookkeeper with the Studebaker agency of Glendale. After their honeymoon trip Mr. and Mrs. Peters will make their home in Los Angeles.

HELEN STEELE IS HOSTESS

Miss Helen M. Steele of 416 North Isabel street entertained with a party at her home last night in celebration of the birthday anniversary of her brother, Thomas E. Steele. A delightful program of entertainment included readings by Miss Margaret Johnson, Miss Hazel Carr and Miss Steele; scene from a Shakespearean play by Miss Johnson and Miss Steele; talks by Mr. and Mrs. Byron Dart; saxophone solos by Thomas Steele. Music and games occupied the remainder of the evening, after which refreshments of ice cream and cake were served. The house was prettily decorated with chrysanthemums and greenery.

The guests included Thomas Steele, Miss Margaret Johnson, who assisted the hostess, Mr. and Mrs. Byron Dart, Mr. and Mrs. L. L. Smith, Mrs. B. O. Carr, Miss Hazel Carr, Miss Olive Evans, Miss Coe Royce, Miss Jennie Poland and Miss Helen M. Steele.

LOCAL MIDGETS WIN CENTRAL LEAGUE CHAMPIONSHIP

**Glendale Lightweights Fall
Upon Franklin; Smother
Visitors 28 to 0**

By HOWARD M'GILLIS
Sporting Editor The Evening News
It was after first call for dinner last night when Captain Willard Roberts and his fellow members of the Glendale high school lightweight football team marched triumphantly from the local field of battle with several hundred food sacrificing students yelling themselves hoarse from concerted, and otherwise, cheering. The reason for all of the enthusiastic manifestations was—Glendale had won the Central league championship in the midget classification, incidentally copping the final scheduled contest of the year from Franklin high by the overwhelming score of 28 to 0.

The final result is far from being indicative of the relative strength of the two squads. Had the locals been pushed they could undoubtedly have marked up a score of fifty digits against the plucky Franklinites. During the first fifteen minutes of play, Coach Butterfield's warriors shoved through the Blue and Buff athletes for three of the four touchdowns, the remainder of the contest being spent in "taking things easy" and keeping Franklin away from the red and black goal posts.

Good Work Displayed
The individual honors for the day, if any, should be evenly distributed to the quartet of backfield stars—Gingery, Butts, Roberts and White—each of whom crossed Franklin's goal line once and aided in general in making the other touchdowns. Their play showed no noticeable weakness in any of the various departments of the game, consistent gains being made with a cleverly mixed assortment of plays.

John W. Lawson in \$105,000 Deal for Property Exchange

A large real estate trade which involves business lots in Glendale, was consummated this week when John W. Lawson completed arrangements for the exchange of his magnificent ranch in Monrovia, business lots in that city, Alhambra and Glendale, amounting in value to about \$105,000 for the Castle apartments at Venice and the Lewis Hotel in Los Angeles, the combined valuation of which is also estimated at about \$105,000.

The Castle apartments at Venice is a five-story building, completely furnished, and has an estimated income of about \$1200 a month. The Lewis Hotel is located on East Fourth street, Los Angeles. The parties to the deal are John W. Lawson of Monrovia and Glendale and W. F. Normandy of Salt Lake City, Utah. Mr. Normandy, who is a mining man, recently came to California to make his home.

The ranch at Monrovia, which comprises a beautiful country home of Spanish-Mission architecture and twenty acres of oranges, was one of the show places of that city. As soon as the final details have been taken care of Mr. and Mrs. Lawson will return to Glendale.

Miss Alice Lookabaugh K. K. K. Club Hostess

Arrayed in costumes of Halloween, the members of the K. K. K. club and their friends met Monday night at the home of Miss Alice Lookabaugh, 267 West Wilson avenue. The house was gaily decorated in black and orange and lighted with jack-o'-lanterns. One of the unique features that helped both to decorate the rooms and added to the comfort of the guests was a number of black pillows with big orange pumpkin faces smiling from their sides. These pillows served as chairs for the guests, who sat in a semi-circle about the gaily-burning fire.

After unmasking, the young people enjoyed some of the old-fashioned games suited to the night. Fortunes were read from magic slips of paper and many charms were woven. Glendale people who enjoyed the party included Miss Marian Grigg, Miss Miriam Rich, Miss Della Young, Miss Murray Longley, Miss Margaret McPherson, Mr. and Mrs. H. Harrison, Frank Moody, Lawrence Stewart, Sloan Freeman, Edgar Schockley and Roy Cunningham. Out-of-town guests included Willard Keith of Pasadena; Misses Katherine and Cymbel Taylor, formerly of Glendale, but now of Los Angeles; Mr. Horn and Mr. Collins of Los Angeles.

Halloween games were played and delightful refreshments were served at the close of this happy evening, including ice cream, cake, candy and popcorn. The ice cream proved a pleasant surprise, for in the center of each piece, the children found molded a yellow pumpkin of ice cream.

PRIMARY ELECTION BALLOTS ISSUED FOR C. OF C.

**Twelve Nominees Sought for
Board of Directors of
Local Organization**

Primary election ballots are being dispatched today to every member of the Chamber of Commerce for the purpose of getting twelve nominees for the board of directors. A. R. Eastman, Mabel L. Tigh and C. E. Kimlin are members of the election committee.

The polls for the primary will be open daily from 8 a. m. to 5 p. m. at the Chamber of Commerce headquarters, until Thursday, November 10, at 5 p. m. Each member is entitled to nominate six people to fill the vacancies caused by the retirement of D. L. Gregg, Peter L. Ferry, Dan Campbell, Roy L. Kent, C. D. Lusby and S. C. Packer. Owen C. Emery and J. A. Newton, who were named by the board, also retire. C. C. Cooper, president; Jesse E. Smith, first vice president; V. M. Hollister, second vice president; George E. Bentley, Richardson D. White and J. G. Huntley remain on the board for another year.

Statement to Members
In a statement to the membership this morning, Secretary James M. Rhoades says that in his many years' experience he has never found a group of men or board of directors more faithful in attendance. Thirty-eight meetings have been held and a quorum always has been present. Mr. Gregg has missed none of the meetings, Mr. Kent has been absent but twice and Mr. Lusby answered present on all except three times. Others on the board have very good attendance records, according to Mr. Rhoades, and there has been practically no friction among the directors.

It is essential that the ballots be returned in the numbered envelopes in order that a check may be kept by the election committee and no member permitted to vote twice.

Exclusive Property in Subdivision Will Go on Sale Thursday

"The selection of your home site is about the most important thing you will ever have to do," remarks Charles B. Guthrie, 601 North Brand avenue, announcing the opening of a new subdivision on Kenneth Road. "It, therefore, merits your most careful consideration."

Kipper's Kenneth Road Subdivision is the name of the new plot for home sites. It was platted from John C. Kipper's orange grove. Twenty lots, 75 by 175, are being put upon the market at this time. Stringent restrictions have been placed in the bill of sales so that the section will be preserved always as a residential section.

Mr. Guthrie is enthusiastic about the new subdivision and is certain that it will not remain unsold long. He calls attention to the beautiful Verdugo Hills in the back ground and in the foreground the panorama of Glendale. The lots are now occupied with orange trees laden with fruit each year. The property goes on sale tomorrow.

FOOTHILLS ASSOCIATION

At a meeting of the Glendale Foothills Improvement Association at Botsford hall on Glenwood road last evening, it was decided that residents of that section of the city favored the John R. Greer plan for a new union high school. In fact, after an evening's discussion, it seemed to be the unanimous opinion that they would be greatly benefited by having the improvement in close proximity to the Burbank-Glendale line of the Pacific Electric.

James M. Rhoades, secretary of the Chamber of Commerce, was called upon to tell of the committee's recommendation of the East Broadway and Verdugo road site. E. H. Botsford presided over the session.

ment of line plunges, skin tackle
bucks, and runs, end around plays
and forward passes. The latter, in
particular, probably provided the
best executed and most thrilling part
of the afternoon's program.

In Gingery, who is only in his
sophomore year, Glendale has the
best all around tosser of the forward
pass in the history of the school. Be-
sides his uncanny accuracy in hur-
ling the oval into the arms of a wait-
ing teammate his actions are gener-
ally so deceptive that the opposing
players are often caught entirely nap-
ping when a pass is completed.

Glendale's initial touchdown came
a few minutes after the opening of
the game, Butts skirting left end for
a neat gain of five yards. The ball
had been advanced to a point within
striking distance of the goal line on
a series of end runs and line plunges.
The goal was converted by Horri.

Another Touchdown

Franklin then chose to kick, Glen-
dale receiving the ball on the thirty-
yard line. It was here that the com-
pany of Roberts, Gingery, White and
Butts, et al., effected another ad-
vance straight down the field to an-
other touchdown. The line was
crossed on a pretty piece of line buck-
ing by Roberts, who broke through
the center of Franklin's defense for
fifteen yards.

The final pair of touchdowns were
brought about by a repetition of the
methods used in obtaining the first
two, Glendale showing superiority in
almost every play. Gingery bucked
over for the third score in the second
quarter, White repeating the feat at
the opposite end of the field in the
following period. The game ended
with the ball in the middle of the
field and with the locals on their way
to another touchdown.

Here's Battle Line-up

Following is the line-up of the
teams, the way they began play:
Franklin—Hughes, left end; Neff,
left tackle; Nichols, left guard;
Baldwin, center; Matherly, right
guard; Lepper, right tackle; Moore,
right half; Terise, quarter; Fogerty,
left half; Rankin, right half; Swe-
zer, full.

Glendale—Horri, left end; Burns,
left tackle; Morrison, left guard;
Jeter, center; Searle, right guard;
Peck, right tackle; McKee, right
end; Gingery, quarter; Roberts, left
half; White, right half; Butts, full.

COMMENT THAT'S ALL

California Comes First
Realizing Frugality
Keen Student of Values
200 Ready to Aid You

By Gil A. Cowan

CALIFORNIA, oftentimes is ma-
ligned by ill-informed people.
Some say that this state has but
one crop—and that is tourists. Us-
ually the person who makes such a
statement is a tourist and believes
himself or herself to be the biggest
"crop" because prices are higher
here than in some eastern centers.

It is needless to tell of the indus-
trial output here—an unprecedented
amount in proportion to population,
according to unbiased writers. Al-
most everyone knows that California
fruits, such as the orange, peach, ap-
ricot, pear, date, fig, etc., are con-
sequential in the economic life of this
state.

In an analysis of the last census
report recently completed by the Los
Angeles Chamber of Commerce Cali-
fornia is first in vegetable production
in the United States. The state has
142,178 acres in vegetables which is
9.6 per cent of the total in the coun-
try.

Indeed, it must be strange for the
tourist coming from points east of
the Rocky Mountains this year to
realize how full conditions are "back
home." The prosperity prevalent
here provides a comparison that is
somewhat unfair, for business
throughout the nation might be more
seriously affected by the reaction of
the war.

November 11 is the anniversary of
the second year of peace; in another
12 months' time America should be
adjusted to new economic conditions.
In averting the railroad strike the
government has won a great victory
in bringing the people to time and
making them realize that frugality
must be observed.

It is true, nevertheless, that those
who are capable can command as
much as more money than ever.
Plumbers here are paid as high as
\$12 a day, provided they put through
the work. In other lines of endeavor
a person's earning power is to be lim-
ited only by the ability to produce.

Charles B. Guthrie is one of the
keen students of Glendale's growth.
He advertises that in the last two
years his predictions about property
values have been more than borne
out. He has turned over much prop-
erty in Southern Glendale, as well as
in the vicinity of Doran street and
Brand boulevard. For that matter,
Mr. Guthrie's activities have not been
confined to any one section of Glen-
dale alone.

At the present time he is offering
residential sites "up on the hill" off
of Kenneth road and Grand View ave-
nue and Tenth street. It is all very
well situated and desirable. So when
Mr. Guthrie says it will double in
value within two years, one is prone
to believe he is right.

While "talking" real estate—and
that is the most discussed subject in
Glendale today, bar Arthur Burch's
insanity plea—it is well to commend
one of the most consistent boosters
Glendale ever knew.

Mrs. M. L. Tight is one of the
major real estate operatives in this
city. She turns more property than
offices employing two and three men
and she makes more money for both
her clients and herself than one can
readily realize.

If you want to get an insight as to
possibilities in Glendale watch the
rapid-fire turnover of property by an
agency such as that conducted by
Mrs. Tight. She is one of the 200
licensed dealers who are actively in-
terested in aiding you to make
money.

Charles Ray Film Being Featured at T. D. & L. Theatre

The last few years has witnessed
a remarkable revival of interest in
the small town. Broadway no longer
forms the locale for all the books,
plays and stories; in fact, practically
all of our best-known writers and
dramatists are awakening to the fact
that they have neglected a fruitful
field for romance, drama and com-
edy—the small town.

"A Midnight Bell," Charles Ray's
picturization of the famous Charles
Hoyt play, which will be shown at
the T. D. & L. theatre today and to-
morrow, illustrates life in a small
town with a remarkable degree of fi-
delity, and demonstrates that a pic-
ture of this kind can be as interest-
ing as one based on metropolitan ex-
istence.

Among the types of small-town
characters to be found in this produc-
tion are the general store owner, who
"keeps everything," but doesn't sell
much; the breezy salesman from the
city, who tries to inveigle the sus-
picious merchant into buying some-
thing he doesn't want, and the sta-
tion agent, who feels his importance
as the local representative of the big
railroad.

Extreme care has been exercised
in making the settings for "A Mid-
night Bell" and its Main Street is a
duplicate of thousands throughout
the country.

Henry Lehrman's new comedy,
"Wet and Warmer," is an added at-
traction to the program.

Mr. and Mrs. W. F. Hellig of Los Angeles were the recent guests of friends in this city.

A four-room residence is being built at 534 East Palmer avenue for C. H. Dowdin of Pasadena.

Mr. and Mrs. Arthur Weidlich of 634 North Kenwood street were the guests of Los Angeles friends at a Halloween party on Monday evening.

D. C. Atkins of Hollywood is building a five-room residence at 1517 South Mariposa avenue and expects to be able to move into it in about three weeks.

Mr. and Mrs. S. C. Maranville have moved into their new home, which they have been building at 1112 East Lexington drive, having recently sold their property at 405 West Eulalia street.

Mrs. Margaret B. Campbell and daughter, Miss Nettie A. Campbell, who returned to Glendale recently from Clarion, Pa., are located temporarily at 209 North Kenwood street.

Mr. and Mrs. R. Allen and Mr. and Mrs. Arthur Weidlich of this city recently enjoyed a most delightful automobile trip and outing to Bouquet canyon and other points in the vicinity.

Mr. and Mrs. Lee Humiston of 128 West Palmer avenue returned to their home on Monday from a three days' automobile trip to Bakersfield, where they visited a number of friends and relatives.

Police Judge F. H. Lowe had a big month in October, but his calendar for November looks like it will be crowded. Already he has more than three score traffic cases set for trial Friday morning at 10 o'clock.

P. H. Kelder and family of Chicago, Ill., were guests Monday at the home of J. S. Cooper, 607 North Isabel street, and S. B. Van Osdel, 1336 East Wilson street. Mr. Kelder is a former commission merchant of Chicago.

Mr. and Mrs. R. R. McBurney of Oskaloosa, Ia., who drove through from their former home to Glendale by motor car in two weeks' time, are guests at the home of Mr. and Mrs. F. U. McVay, 217 South Jackson street.

Mr. and Mrs. George Kerren, who have been living at 414 Fernando court for the past several months, moved last week to their new home in Venice. Mr. Kerren is engaged in the real estate business in Hollywood.

"I am beginning to realize how it feels not to own property in Glendale," said A. H. Barnes, 120 North Brand boulevard today, "for I think the house where I live has been sold. Believe me, it makes one feel lost not to own a home in Glendale."

Miss Edith Palutke of 445 Myrtle street entertained fifteen of her school friends at a delightful dinner party at her home Monday night. The usual Halloween decorations were used. The evening was spent playing Halloween games and music.

Mrs. Margaret M. Gale, sister of Mrs. C. E. Stanley of 198 North Everett street and with whom she has been making her home, will leave Saturday for a short visit in San Francisco and will sail on the ninth for Honolulu, where she will spend the winter.

Mr. and Mrs. Anthony Ambrosini, 622 1/2 East Broadway are moving to Eagle Rock to reside a short time while building activity is continued by Mr. Ambrosini in Glendale. "But it is only a temporary arrangement," says Mr. Ambrosini, "and there is so much more going on here that all of my time will be spent here anyhow."

Harold D. Charlton, architect, 113 East Broadway, has just completed plans for contractor I. Cline, 426 West Wilson, who will remodel the brick building in the Burbank block for Mason & Hannan of Burbank. The building will be remodeled with a modern California Spanish type of architecture. High transoms and high ceilings with special lighting are features of the plans.

Mr. and Mrs. Grant Stewart of 549 West Oak street entertained as week-end guests Mr. Stewart's cousins, Mr. and Mrs. A. Bichett and daughter, Amelia, of Kansas and Florida. The Bichetts spend their winters either in Florida or Southern California, and are glad they were not in Florida this year as their home is only about eleven miles from the point where so much damage was done in the recent storm. They have had no news since the storm, so do not know if their house was damaged or not. They left Monday morning for San Diego, but may return to Glendale later.

A jolly crowd of young people assembled at the home of Mr. and Mrs. H. N. Mabery, 727 East Windsor road, at an early hour Monday night, and enjoyed the novel experience of attending a theatre party, dressed in their Halloween costumes. After the performance they returned to the Mabery home and enjoyed an hour of lively games, and were served light refreshments. Those who were invited were Doris Barnett, Florence and Donald Knight, Carl Burris, Katie and Harry Girard, Audrey, Virginia and Clayton Phillips, Russell Eisler, Pansy and Martha Blanchard and Mary Elizabeth and Henry Nelson Mabery, Jr.

'Queen of Sheba' Is Feature Production at Glendale Today

"Queen of Sheba," the William Fox super-special which created a tremendous sensation during its run at a prominent Broadway, New York, theatre, comes to the Glendale theatre today for a three days' run. Metropolitan critics described the picture as a marvel of beauty, color and dramatic force, and as a spectacle unsurpassed in magnificence. All wrote with wondering approval of the pageantry attending the arrival of the Queen of Sheba at King Solomon's court, and declared the chariot race cheered by 5,000 spectators to be one of the most thrilling scenes ever shown on the screen.

Throughout the east a hundred legends and traditions, mostly unwritten, keep alive the memory of the great queen who came from the south and won Solomon's heart. Her fame in Asia is beyond that of Cleopatra, and that of Helen of Troy, in spite of the fact that Cleopatra had Shakespeare and Helen had Homer sing their praises, while Sheba's love never until now has been immortalized in the written word.

"Queen of Sheba" was a year in the making, after Virginia Tracy had written the story following a long search of volumes and documents for information regarding the world's most beautiful woman. The production was directed by J. Gordon Edwards.

The role of the Queen of Sheba is played by Betty Blythe; Fritz Lieber, noted Shakespearean actor, is King Solomon; Claire de Lorez is Queen Amarah, wife of Solomon, and Nell Craig is seen in the role of the Princess Vashiti, Sheba's opponent in the chariot race.

From all reports, based upon the Los Angeles run, "Queen of Sheba" promises to be the screen sensation of the season.

PROMISES AID TO SOLDIERS

WASHINGTON, D. C., Nov. 2.—Chairman Fordney of the house ways and means committee, declared in the house that an adjusted compensation (soldiers' bonus) bill would be passed at the next session of congress. He appealed to Senator Reed and other democratic senators who are seeking to provide compensation by attaching riders to the revenue bill, "to cease their filibustering tactics so that taxation and tariff legislation may be disposed of."

HOPES FOR SETTLEMENT

W. A. Maxwell Home Scene of Surprise From 'Jolly Twelve'

The "Jolly Twelve," as they designate themselves, succeeded Monday night in completely surprising a couple who had stated quite recently that they had never been surprised by any party. Mr. and Mrs. W. A. Maxwell, the victims, moved into their lovely new bungalow home that is just completed, at 329 West Harvard street, on Saturday, and no furniture had been placed excepting the bedroom furnishings and two chairs.

They had assisted, as they were led to think, in planning a surprise on another friend, and were ready "en masque," waiting to be called for by some of the crowd, when the party arrived, completely disguised, with the exception of one gentleman, who never disguises but always lends his moral support. Two couples had exchanged identities in such a clever manner as to be quite unrecognizable until masks were discarded.

The women had a surprise when they brought in refreshments, to find the rooms deserted. The men had discovered one car missing, and Mr. Boicourt, to whom it belonged, could not quite picture himself conveying his wife home on the large sign board that mischievous boys had left in exchange. They found the car in the next block with the lock intact, and returned to enjoy the refreshments, of apples, nuts, popcorn and toasted marshmallows, served picnic style, with the guests seated on the floor.

Those who participated were Mr. and Mrs. E. E. Haw, Mr. and Mrs. C. E. Russell, Mr. and Mrs. Z. T. Boicourt, Mr. and Mrs. C. E. Spickerman, Mr. and Mrs. B. F. Geiger, and Mr. and Mrs. Maxwell. The Maxwells now say "they were never surprised before."

'All Family Night' to Be Observed by Central Methodists

Every Wednesday night throughout the year will be known as "All Family Night" at the Central Avenue Methodist church, starting tonight. Various societies of the church will be responsible for dinner arrangements and programs for these evenings.

This Wednesday the first of the series of "All Family Nights" will be in charge of the social committee of the Ladies' Aid society, which includes Miss Josephine Koch, chairman, and Mrs. Henry Pentecost, Mrs. Struchen and Mrs. Evans.

The program includes dinner at 6 o'clock, family prayer at 6:45, committee meetings and open house at 7:15. At 8 o'clock the Ladies' Aid quartette, which includes Mesdames Fram, V. H. Brink, Evans and Tisdale, will give a few selections. This will be followed by a lecture on "Christianity and Disarmament," by Professor C. V. Gilliland of the department of history at the University of Southern California.

Dance to Be Given to Aid Work of Y. L. I.

The Y. L. I. is planning a dance to be given Friday evening, November 4, in the hall of Central building, 111 East Broadway. Special decorations, special music and refreshments are announced by the committee in charge of arrangements, composed of Miss Virginia Chappins, Miss Margaret Finn, Miss Virginia Berry and Miss Helen Godar. The proceeds of the dance will be used for the work of the Y. L. I.

On "Taking" Music

SOME pupils "take" music—but the real student "studies" music. There's a vast distinction. One will be a musician—the other will merely "play."

To incite the interest of our students—to induce them to really "study" music—we first make the work a diversion from the ordinary study, and then arouse their enthusiasm. That we are succeeding is attested to by the ever increasing size of our student body.

Verdugo Wash Flood Control Project to Be Further Pressed

Danger lurking in the incomplete flood control of Verdugo wash was pointed out to the directors of the Chamber of Commerce yesterday afternoon and a committee composed of W. E. Hewitt, City Manager W. H. Reeves and George B. Woodberry was named to confer with the city council in an effort to have the board of supervisors follow out original plans.

According to Mr. Woodberry, who addressed the board, the rip-rap work along the wash now will soon disintegrate. The county flood control engineer, J. W. Reagan, contemplated the planting of blue gum trees as a buttress against torrential rains. While appropriations are said to have been made for this work, it is still to be done.

The two danger points from a flood standpoint, according to Mr. Woodberry, are at the Glendale and Montrose railroad crossing over the wash near the Canada boulevard bridge, and at the bend in the channel just west of Glendale avenue and Verdugo road intersection.

At the latter point the grade changes from a 3 per cent fall to 1½ per cent, meaning that under flood conditions a great amount of debris would be piled there with a likely overflow. Having resided in Glendale for many years and seeing three disastrous floods within a ten year period, Mr. Woodberry made it clear that Glendale should be vigilant in preventing damage.

Another matter brought before the board for action was the zoning of the city in regard to races other than Caucasian. The Realty Board requested a resolution be passed, but this was tabled. An appropriation of \$100 yearly for three years for the All Year Round Club fund was accepted from the city with thanks and a page advertisement was taken in the new city directory being prepared by the Western Directory Company. E. F. Sanders was appointed to the Armistice day committee.

In Glendale's Vicinity

With the rapid growth of Eagle Rock and the consequent field for a Catholic church, Father F. P. Driscoll, of Seattle, Wash., has been assigned in charge of the work there, and is getting it under way. He has purchased four additional lots on East Myrtle avenue, adjoining the present church location. It is the intention to erect a small church building on one of the lots and a school building as fast as the plans can be worked out.

Returns From Denmark

After five months spent with his aged father near Copenhagen, Denmark, Jens Christensen has returned to Van Nuys and will re-engage in the cement contracting business. Mr. Christensen says that business is good in Denmark and the people of that country are well fortified with funds saved during the era of prosperity.

A Growing Industry

The commercial growing of assorted varieties of flower bulbs is a new and important industry that will be developed on a large scale in Van Nuys. The initial movement in this line will be started this fall by M. G. Bridgford of Eagle Rock, who has purchased ten acres on the west side of Sherman Way.

Jazzing Up Eagle Rock

Community jazz—or music served otherwise—is being instilled into Eagle Rock citizens who have a penchant for playing stringed or wind instruments. Miss Matting of the grammar school there and Miss Langdon at the piano form the nucleus for an orchestra which met last night at the Central school house. Rehearsals are to be held every Tuesday evening.

Homes Wanted—

Eastern business men of wealth are looking for country homes in California, away from the strife and bustle of city life. Are you looking for a chance to sell your home now, or in a few years to come? Ornamental trees and shrubs, properly disposed, are a garden's chief asset. Planted now, they will become quite valuable in but a few years' time. In the meantime, you are building a real home, not merely a place where you may sleep and eat.—Los Angeles Times.

Dale Wood Is Chosen to Make Address at Older Boys' Meeting

The Hi-Y of Glendale has been signally honored by having its president, Dale Wood, 1470 East Wilson avenue, chosen as one of the speakers for the second day of the Seventeenth Annual Older Boys' conference of the state of California to be held at Santa Barbara, November 25, 26 and 27. The general topic of the conference will be "Something More," and Mr. Wood will speak on the subject of "Something More in Church."

Rex C. Kelley, Y. M. C. A. secretary of the Glendale district, who will attend the conference, states that other local representatives, 12 in number, will be chosen soon from the Hi-Y departments of the school to represent Glendale.

Mr. Kelley says it is expected that four hundred representatives from the state will be present at the gathering. The conference will start with an elaborate banquet at which there will be several prominent speakers and Y. M. C. A. officials. The evening of the second day of the conference will be college night and a number of stunts are planned.

Aside from the regular business of the conference there are many social activities planned, states Mr. Kelley, which will include auto trips and a barbecue. The social program is being arranged by the Rotary club of Santa Barbara. During the conference the delegates will be guests at Santa Barbara homes.

Public Invited to Hear Disarmament Discussion

Mrs. John Hyde Braly, regent of the General Richard Gridley chapter, Daughters of the American Revolution, has issued a general invitation to members of that chapter and their friends, as well as other citizens who are interested in the plan for disarmament for the nations of the world to meet at her home, 505 North Brand boulevard, Thursday afternoon, November 3, at 2:30 o'clock. At that time there will be speeches made on this vital subject by three men who are well qualified to speak on this topic.

At a recent meeting of the Los Angeles City club, which was attended by Mr. and Mrs. Braly and Mrs. Charles H. Toll of Glendale, that organization adopted the following resolutions, copies of which have been sent the president, secretary of state, local representatives in the house and senate, members of the cabinet and United States representatives at the disarmament conference, and urges other organizations to get together and push this movement.

"We expect you to do everything in your power to bring about world disarmament, and nothing less."

"We believe the hour has come when America shall lead the way in abolishing war, and lend her power at this time of her opportunity to that end."

"Therefore we are looking to you to aid us in the realization of that greatest of all human ideals, 'Peace on Earth, Good Will to Men.'"

"That these resolutions be forwarded by wire to the president, secretary of state, also to the members of the cabinet, and to the members of congress who will represent the United States at the disarmament conference."

F. B. Noy Home Scene of Halloween Gathering

The Misses Marjorie Hart and Vivian Noy entertained a number of mutual friends Monday night at the home of Vivian's mother, Mr. and Mrs. F. B. Noy of 315 North Central avenue. The rooms were beautifully decorated with Halloween colors and the evening's entertainment was planned and carried out very cleverly. A very realistic old "witch" was ensconced under a large pumpkin canopy, and every guest that knocked upon the pumpkin was given a fortune that was sure to come true, by the old witch.

They danced for a short time, and played some very entertaining games. Arthur Timothy won the first prize in the conversational contest, and Jack Finch carried off the honors in the guessing games. Punch was served during the evening, and refreshments of delicious pumpkin pies, sandwiches, candy and apples were served at the close of the evening by Mrs. Hart and Mrs. Noy.

Invited guests were Wilma Gosard, Elizabeth Walker, Lorna Richmond, Katherine Day, Lucille Beach, Alice Hill, Betty Goude, Elizabeth Garton, Frederic Browne, Kenneth Lee, Robert Hatch, Arthur and Ralph Timothy, Craig Leech, Carlton Walker, Milton Farnet, Charles Hart, Eugene Wernette, George Montgomery. The interesting work revealing her identity, was Mrs. H. E. Clark, mother of Mrs. Noy.

REBEKAH LODGE MEETS

Several violin selections from Fritz Kreisler by Vern Isom of Burbank were features of the Halloween party last night of the Rebekah lodge of Rebekahs at I. O. O. F. hall. Mr. Isom's interpretation was deeply appreciated. He was the youngest violinist ever to play with the Portland Symphony Orchestra. He was accompanied by Mrs. Zefer Sparrow, also of Burbank. The social evening closed at midnight after refreshments.

W. S. RATTRAYS ENTERTAIN

Mr. and Mrs. W. S. Rattray of 450 West Lexington drive entertained with a Halloween party for their daughter, Florence, Monday night. The guests were school chums of Miss Florence Rattray and also her class teacher, Miss Edith Tyler. Miss Rattray was assisted in entertaining her guests by Miss Barbara Kranz. Later the evening the party was joined by Mr. and Mrs. Eugene Murman and Baron and Baroness William De Ropp.

That wife who tho't they'd have a change

And try some other food,
Saw husband looking down his nose,
As tho' not in good mood.
She quickly noticed something wrong,
And said, "Why can't you eat?"
He looked straight at his wife and said:

"Have you no MILO WHEAT?"

Chorus:

For all the folks who eat this food,
I'm sure you will hear say
For strength and health and every
ill
It's best we know today.
We're living now on MILO WHEAT
Our bank account will grow,
For we can have a good square meal
For three cents now, you know.

And then she saw her baby boy
Had pushed his plate aside,
She tho't she would make him eat it,
But he sat there and cried.
Her daughter then looked up and said

I surely have enough,
For after eating MILO WHEAT
I cannot go out this stuff.

Many Features Are Being Planned for Legion Celebration

The prospects for the success of the Armistice week celebration seem to be improving every moment and, judging from the developments of the past few days the local post of the American legion will present here next week a celebration full of new and novel features and one that will be a credit to the city and to the organization. Interest in the Queen contest is increasing.

In keeping with the high standard of the rest of the program the committee has engaged for the midway features, the Greater Sheesley Shows. Another midway feature of interest is the Autodrome where Miss Olive Hager and her four assistants perform feats of trick and fancy motorcycle riding on a wall that is straight up and down.

Light and Water Meters for Month Show City Growth

According to data compiled by the office of the public service department in the city hall the number of water meters installed during the month of October was 145, which makes a total of 5,916. The number of light meters installed during the month was 180, making a total of 6,765.

This is hardly as many as were installed during the month of September for either water or light, but the department points out that in September a large number was taken in from another company. The month of November is expected to outdo the past month, states the office of the public service department.

That was the gist of a telegram received by Mayor Cryer from Congressman H. Z. Osborne.

Reporters for Pastors

That every preacher, before being ordained and beginning his life work in the ministry should put in at least a year as a newspaper reporter, was the declaration made at Pomona by Dr. James Holmes, late of the First Baptist church of Brockton, Mass., and recently appointed state convention evangelist of the Baptist denomination for California.

Sectionalism Can't Ever Arise Here, So F. W. McIntyre Says

In the opinion of F. W. McIntyre, real estate dealer, 724 East Broadway, Glendale is growing so rapidly and the opportunities are so many here there will never be any sectionalism develop.

"The city is so full of possibilities that there is room for all without any sectional feeling ever developing," he says, "and we have a chance to become one of the greatest centers in Southern California. I know Glendale and its possibilities, for I have been in the real estate business here for twenty years, and I believe the city will grow steadily and with harmony in all sections."

MUSIC CLUB BOARD MEETS

An important meeting of the executive board of the Glendale Music club was held last night at the home of the president, Mrs. Mattie B. Jones, 208 South Brand boulevard. At that time it was voted that at the regular concert of the club, December 2, the program will be given by Alice Gentle, well known operatic star, who appears in Los Angeles on December 3. This announcement will undoubtedly prove a special inducement for those contemplating membership in this club. It was also decided that 100 chairs will be put in the auditorium for that evening for non-club members, tickets for which will be on sale at a later date.

A large crowd is anticipated at the concert to be given Friday night, November 4, at the high school auditorium, at which time the Philharmonic Trio and Mrs. Catherine Shank of Glendale will appear.

Miss Mildred Frey was elected recording secretary in place of Mrs. L. N. Hagood, who has resigned on account of professional duties.

THE WORLD WORSHIPS AN IMMATERIAL GOD

An immaterial God they choose,
An immaterial heaven and hell,
Or such a God, we have no use,
In such a heaven, we cannot dwell.

We choose the earth, air and sky,
And all the starry-worlds on high,
Gold, silver ore, and precious stones,
And bodies made of flesh and bone.

Our God like us, can hear and see,
Feel, taste and smell eternally,
Immortal brain through which to think,
Organs to speak, eat and drink.

With man on earth, or heaven he dines,
His heart is cheered with luscious wine,
Of Sarah's bread and Abram's calf,
He ate and blessed 'till Sarah laughed.

Foremost in all branches he,
Of useful art and industry,
To plant, to build, or dress the field,
Or make old Eden's garden yield.

A farmer, architect and scribe,
A tailor and all else beside,
He taught old Adam how to farm,
And made him a coat to keep him warm.

He introduced a heavenly plan,
Of architecture unto man,
By which stupendous works were reared,
And courts on earth for him prepared.

That when from heaven, he chose to come,
He'll find on earth, a heavenly home,
This is our God, we hope to have,
His hand not short, that it can't save.

Oldest Garage Now Being Removed for Building of Hotel

"Yes, this is the oldest garage in Glendale," said Wallace Tupper, 114 North Glendale avenue, "and it's being torn down today to make room for the steam shovel to work. As yet I don't know just where I shall locate."

Excavation for the Ambrosini hotel at the northeast corner of East Broadway and Glendale avenue has been completed from the Glendale garage to the Broadway corner and the steam shovel is now working its way east toward the Broadway garage at 721 East Broadway. Mr. Schelling states that the excavation will be completed within three weeks from the time the first shovel of earth was removed, and Anthony Ambrosini follows up the statement by saying that construction work on the hotel will begin as soon as the 11,000 cubic yards of earth are removed.

The office now being erected by Mr. Ambrosini just east of the Broadway garage is nearing completion and its arrangement makes it an attractive place for carrying on business while the hotel is being built.

The progress of the work on the hotel site is being watched with much interest and many people gather daily to watch the steam shovel scoop out the earth.

NOV. 24 IS THANKSGIVING

WASHINGTON, Nov. 2—President Harding has signed a proclamation designating Thursday, November 24, as Thanksgiving day.

CREAM CLEARS A STUFFED-UP HEAD

Instantly Opens Every Air
Passage—Clears Throat Too

If your nostrils are clogged and your head is stuffed because of nasty catarrh or a cold, apply a little pure, antiseptic cream into your nostrils. It penetrates through every air passage, soothing and healing swollen, inflamed membranes and you get instant relief.

Try this. Get a small bottle of Ely's Cream Balm at any drug store. Your clogged nostrils open right up; your head is clear; no more hawking or snuffling. Count fifty. All the stuffiness, dryness, struggling for breath is gone. You feel fine.—Advertisement.
